

# CAMPS AND WORKSHOPS

**Da3douka**  
*Natural Homemade Play Dough*

# Welcome to our Da3douka activities!

Da3douka is thrilled to introduce our high-quality, natural playdough products designed specifically for educational activities with children. We firmly believe in the power of playdough to foster creativity, imagination, and sensory development in kids. Our priority is to provide a safe and engaging learning environment where children can thrive.

Our workshops, held in camps and kindergartens, are based on a carefully crafted educational program that has been refined over time. With a focus on hands-on learning, our goal is to spark curiosity and facilitate positive growth and development in children. We are confident that our products and workshops will exceed expectations, offering children a truly enriching experience.

Da3douka goes beyond just fun; we actively support early childhood skill development. Our workshops encourage teamwork, responsibility, initiative, and communication skills, all while ensuring an enjoyable experience for the children.

Experience endless play and learning with Da3douka. Our workshop sessions are part of our Early Childhood S.T.E.A.M series, designed to cultivate a love for Science, Technology, Engineering, Art, and Math in age-appropriate ways.
